WORLD-CLASS HILTON HEAD GOLF GETAWAY

Hilton Head, South Carolina

On a pristine stretch of sugar-white sand along the Atlantic Ocean lies The Westin Hilton Head Island Resort & Spa, refreshed from a \$35 million renovation. Nourish your soul on the sandy beaches of Hilton Head Island's low-country coast as you feel the warm ocean breezes, satisfy your shopping sweet tooth with unique boutique shops and outlet retailers nearby, or get on a bike and breathe in the area's rich history and unparalleled natural surroundings. Best of all, you'll also get to play two rounds at the prestigious Port Royal Golf Club, and one round on the revered Palmetto Dunes Robert Trent Jones course.

The impressive beachfront Westin Hilton Head Island Resort & Spa boasts incredible golf, and you'll have the opportunity to play three rounds on three of its courses. Designed by George W. Cobb, the Barony Course offers generous fairways and a risk reward approach to the greens. Golfers especially enjoy the back nine known for its scenic beauty and remarkable layout. The Robert Cupp course is a stunningly original design that tests the better player, but accommodates higher handicappers as well. The 18-hole Port Royal Planter's Row Course, the Plantation's third, played host to the Hilton Head Seniors International Golf Tournament, a former Champions TOUR event. Designed by Willard C. Byrd, this course offers a different look from its sister courses.

The largest barrier island between New Jersey and Florida, with 12 miles of breathtaking Atlantic beachfront, Hilton Head Island is located on the Intra-coastal Waterway and encompasses vast sea marshes, creeks and lagoons, and moss-draped forests of live oaks, magnolias, pines and palmettos. Wildlife preserves make the island home to hundreds of species of birds and animals, including the familiar alligator. With its trademark striped lighthouse, world-class golfing, top-ranked tennis facilities and magical marinas—it's no wonder why Hilton Head Island is the ideal place to retreat and rejuvenate.
